Wagonette Ride.

Several members of the Monday Night club, a South Akron social organization, enjoyed a wagonette ride to Hametown Wednesday night.

At Hametown they were the guests of Miss Jennie Morgan, who did the honors of hostess in a charming manner. Excellent refreshments were served.

Beck-Steale.

Miss Florence Steele, a granddaughter of Hon. Thomas Ewing, the famous Ohio jurist, grandniece of General William T. Sherman, and a niece of Hon. James G. Blaine, as well as a leader in younger society circles of Columbus and section of the State, was married Wednesday evening at her home to Mr. Edward M. Beck, of this city.

The ceremony was performed by Rt. Rev. Signor Seton, of New York, in the presence of a distinguished company of guests, including many from out of the State and all parts of Ohio. The bride, who was given away by her brother, Mr. T. E. Steele, was attended only by the maid of honor, Miss Jones of Evanson, Ill. The groom's best man was Mr. W. G. Raymond, of Akron. The bride's home, "Northwood," was profusely and handsomely decorated. A wedding gift of rare value was given by the bride's mother. It consisted of a small volume containing the autographs of many prominent men of former days, including Calhoun, Clay, John Quincy Adams, Daniel Webster, William Henry Harrison, and others.

It was originally the property of Mrs. Thomas Ewing, the bride's grandmother, and has been in the family for years. The bride made her debut in Washington society, and is a graduate of the Georgetown Seminary of that city. The groom was accompanied to Columbus by his best man, William G. Raymond, his brother, William Beck, Frank Good, Frank R. Marvin, Ray McNeill, Charles W. Worthen, J. H. McCrum, his grandfather, Hon. William Buchtel and wife, and his parents, Mr. and Mrs. J. Martin Beck.

The wedding tour will include a trip up the St. Lawrence and a stay in the Adirondacks until early autumn.

TRADE BETTER THIS YEAR THAN EVER BEFORE.

OUR LADY OF PERPETUAL HELP CHURCH, DEFAUNCE, OHIO, Jan. 3, 1888.

Messrs. May & Fieberger:—You will find enclosed check for payment of the two furnaces purchased from you by this congregation for heating the church. The furnaces have proved more successful than our most sanguine anticipations demanded. In fact, our only complaint, if it can be called such, is that they furnish too much heat. The colder the weather has been, the better the furnaces have worked. We have used wood exclusively for fuel, and the Air Blast could not possibly act more successfully with coal as fuel than it has acted with wood. When I tell you that our church is 90 feet high by 80 feet wide and 180 feet long, with two sacrificial furnaces also heat thoroughly, I have said all that can possibly be said in favor of your Akron Air Blast Furnaces.

With gratitude, I am sincerely yours, M. P. KINKADE, Pastor.

## MANY IMPROVEMENTS

Will Be Started on The Erie Next Week.

Next week the Erie will commence the work of reducing the grades and curves on the line at Ontario, near Gallons.

A steel trestle will be erected at Old Forge to take the place of the wooden structure now in use.

It is also stated by officials of the road that the Erie will elevate its tracks at Mansfield to a height of 25 or 30 feet. The grade where the road passes through the city has not been satisfactory to the company for some time past. By elevating the tracks for a short distance, a great improvement will be made. Work will be commenced soon on this improvement.

Troublesome to the Army.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor of Wind Ridge, Greene Co., Pa., is one of these. He uses Chamberlain's Colic Cholera and Diarrhoea Remedy, and says he never found anything that would give him such quick relief. It is for sale by all druggists. E. Steinbacher & Co., wholesale agents.

**FREE-FOR-ALL**

Fight Between Campers at Turkey-foot Lake.

A free-for-all fight occurred at Turkey-foot lake Sunday between campers from Greentown and Akron. The Akron campers are employed at the American Hard Rubber Co.

On the day mentioned the campers each "chipped in" to buy a keg of beer. It is claimed the Greentown boys did not get their share. This precipitated a scrap in which the local boys came out victorious. One man from Akron hit a Greentown boy's finger off. Several of the participants sustained broken bones.
